ceremonies and partnerships

Civil ceremonies and partnerships are as unique as each couple – you may decide to follow the traditional Wedding Day protocol or we can help you create a very personal ceremony to share with family and friends.

Select and check your preferred date to make sure a reception and ceremony room is available. We can then make a provisional booking for you at this stage that will be held for 14 days without deposit. You should then contact the Registrar's Office at Sheffield to confirm availability on your chosen date. Once this is confirmed, pay your deposit for The OEC and your Wedding is booked.
